

# Monday 15 May

8 pm in St Mary's Parish Rooms, Museum St

## *Henry Winstanley The last Renaissance Engineer*

*A talk by Martin Rose*

**Henry Winstanley (1644-1703) lived locally for many years and is perhaps best remembered for designing the first off-shore lighthouse at the Eddystone Rocks, but he accomplished a lot more than that, as his biographer will tell us.**

Members of Saffron Walden Museum Society £1. Visitors Most welcome £3.

**Cash only-sorry no cards**

Some car parking in front of the Museum opposite St Mary's Church.

Regd in England no 06469141

Charity no 1123209
